SPEAKER

Owen Bailey serves as chief executive officer and senior associate vice president for medical affairs of the University of South Alabama Health System, known as USA Health. USA Health includes University Hospital, Children's & Women's Hospital, Mitchell Cancer Institute and USA Health Physicians Group.

Mr. Bailey previously served as administrator of Children's & Women's Hospital, president and chief executive officer of Thomas Hospital in Fairhope, and as an executive vice president for Infirmiry Health System.

A fellow with the American College of Healthcare Executives, he has served on the boards of Blue Cross Blue Shield of Alabama, the Mobile Area Chamber of Commerce and the University of Mobile. He is past chairman of the Southwest Council for the Alabama Hospital Association, Mobile Area Education Foundation and the Southwest Alabama Workforce Development Council. He currently serves on several boards including the Business Council of Alabama, Hancock Whitney Alabama Market Advisory Board, America's Essential Hospitals Political Action Committee, and LifeSouth Community Blood Centers. He also serves as the state delegate to the American Hospital Association's Regional Policy Board and is past chairman of the Alabama Hospital Association Board of Directors.

Mr. Bailey has received numerous awards, including the Up and Comer Award from *Modern Healthcare* magazine, the Young Healthcare Executive of the Year and the Regent's Award from the Alabama Chapter of the American College of Healthcare Executives.

He earned a bachelor's degree in health administration from Auburn University, where he served as drum major of the Auburn University Marching Band. He earned a master's degree in health administration from UAB. He is an active member of First Baptist Church of Fairhope, and he and his wife, Genie, have four children.

GOVERNOR KAY IVEY

SPEAKER AND HONORARY DEGREE RECIPIENT

Growing up in the small town of Camden in Wilcox County, Alabama, and working on her father's farm taught Kay Ivey to value hard work and living within one's means. Her parents instilled values of faith, family, and community.

After graduating from Auburn University in 1967, Gov. Ivey worked as a high school teacher and a bank officer. She served as Reading Clerk of the Alabama House of Representatives under Speaker Joseph C. McCorquodale and was Assistant Director of the Alabama Development Office, where she worked to spur job creation and economic development across the state.

In 2002, Gov. Ivey became the first Republican elected State Treasurer since Reconstruction and was re-elected in 2006. As Treasurer, Gov. Ivey was committed to making the office more open, transparent, and efficient. Gov. Ivey was elected Lieutenant Governor in 2010, becoming the first Republican woman to hold the office in Alabama's history.

She again made history on November 4, 2014, by becoming the first Republican Lieutenant Governor re-elected to the office. The Lieutenant Governor's primary Constitutional duty is to preside over legislative proceedings of the upper house as President of the Senate.

Gov. Ivey has received numerous awards for her service to the State of Alabama, including the 2015 ALFA Service to Agriculture Award, Newmax's 50 Most Influential Female Republicans in the country and, most recently, the American Institute of Aeronautics and Astronautics (AIAA) 2016 Public Service Award; 2017 Citizen of the Year, by River Region Living Magazine. In September 2019, the Alabama-Florida Council of the Boy Scouts of America distinguished Gov. Ivey as a Golden Eagle for her 'scout like service' and being a trailblazer for women.

On April 10, 2017, she was sworn in as the 54th Governor of the State of Alabama in the Old Senate Chamber in the Alabama State Capitol by Acting Chief Justice Lyn Stuart. Following a successful nineteen months in office, the people of Alabama elected Gov. Ivey to a full term. She is the first Lt. Governor of Alabama elected to a full term after taking over as governor due to a vacancy in the governor's office.

On January 14, 2019, Gov. Ivey was officially sworn in for her full term by Associate Justice Will Sellers.

She is a member of the First Baptist Church of Montgomery, the Montgomery Rotary Club, and the Board of Directors of the Montgomery YMCA. Gov. Ivey is also the first Girls State alumna to be elected to an Alabama Constitutional Office.

UNIVERSITY OF SOUTH ALABAMA

A BRIEF HISTORY

The University of South Alabama was founded in 1963 without a single building to call its own. More than 55 years and quite a few buildings later, USA is a vibrant university that continues to serve as a catalyst for transformational change in the city, the state and the Gulf Coast region.

USA's story began in the early 1960s, when Mobile's civic leaders saw the need to improve access to higher education in southwest Alabama.

Realizing the region had outgrown the small extension program that operated out of a building downtown, they formulated plans for a four-year, degree-granting institution. On May 3, 1963, a bill creating a new, independent university successfully passed the Alabama Legislature, and USA was born.

Classes began in June 1964 at a new, \$1 million building in west Mobile. Initial enrollment totaled 276. The extent of the pent-up demand for education became obvious when the first fall semester began. Enrollment leaped to 928 — and it continues to grow. Today, USA enrolls approximately 14,000 students annually and has awarded more than 90,000 degrees.

The first campus building is now named the Frederick Palmer Whiddon Administration Building, after USA's first president. Whiddon helped establish the University and remained at its helm until retiring in 1998. His successor, longtime faculty member and administrator V. Gordon Moulton, oversaw a new era of growth into the 21st century. Dr. Tony G. Waldrop, president from 2014 to 2021, continued the USA tradition of visionary leadership focused on discovery, health and learning.

As new programs attracted more students, the University's footprint and facilities expanded. Almost from the moment USA accepted its first students, its leaders began ambitiously working toward establishing a medical school. The College of Medicine charter class began in 1973, and USA's focus on health education was later complemented by the College of Nursing and the Pat Capps Covey College of Allied Health Professions.

Today, USA provides high-quality education in business, the liberal arts, education, engineering, computing, the sciences and health care. It offers more than 125 undergraduate, graduate and doctoral degrees through its colleges and schools. The University campus includes USA Technology & Research Park, an incubator of economic development and technological innovation. On the east side of Mobile Bay, USA's Baldwin County Campus provides Eastern Shore residents convenient access to educational programs.

The University of South Alabama includes USA Health, composed of two hospitals — USA Health University Hospital and USA Health Children's & Women's Hospital — along with the USA Health Mitchell Cancer Institute and the USA Health Strada and Mastin patient care centers. This network of advanced health care services has improved the lives of countless residents throughout the region.

A charter member of the Sun Belt Conference, USA fields 17 Division I sports teams, including baseball, softball, basketball, soccer, volleyball, tennis, golf, cross country and track and field. In 2020, the football team played its first game in the new Hancock Whitney Stadium.

ACADEMIC REGALIA

Academic regalia can be traced back to European universities and ecclesiastical practices of the Middle Ages. As early as 1321, costumes identified the status of the wearer. In addition to signaling differences of degree, the garments had functional purposes, providing necessary warmth in sparsely heated buildings.

Regalia differentiate among the three degree levels used by our University; bachelor's, master's, and doctoral degrees. Common to all three levels is the headwear; the familiar square black mortarboard, although soft velvet tams may be worn by those holding doctorates. The gowns appropriate to the three ranks differ in the shape of the sleeves and in the special trim found on the doctoral gown. The bachelor's gown, which is unadorned, has wide sleeves that are pointed at the bottom. The master's gown has curiously designed sleeves, which are elongated at the rear and reach downward to the gown's bottom hem. The doctoral gown has bell-shaped sleeves and is distinctively trimmed with velvet facings down the front and three velvet bars on each sleeve. These trimmings may be black or the color appropriate to the discipline in which the degree was awarded.

The hoods worn by those holding the master's and doctoral degrees provide the color of the academic procession. These garments are draped over the shoulders and back of the wearer to display the linings, which present the colors of the university awarding the degree. Those holding degrees from the University of South Alabama wear hoods lined with chevrons of red, white, and blue. The hoods also have velvet binding, three inches wide for the master's degree and five inches for the doctorate, in a color designating the discipline.

Academic Honors

Undergraduate students graduating with distinction receive academic honors based on grade-point average: 3.90 – 4.00 summa cum laude; 3.70 – 3.89 magna cum laude; 3.50 – 3.69 cum laude. Gold honor cords will be worn to designate academic honors. A distinction will be noted in the commencement program, on the academic transcript and on the diploma. Students who have completed an Honors Senior Project and Thesis and have earned a minimum grade-point average of 3.5, graduate with “Departmental Honors” and it is so noted in the commencement program, on the academic transcript and on the diploma.

Honors College

Students who complete all Honors College requirements including Honors course work, community service, Honors Senior Project and Thesis, and who maintain a minimum grade-point average of 3.5, graduate with “University Honors.” A distinction will be noted in the commencement program, on the academic transcript and on the diploma. In the commencement ceremony, University Honors students wear a distinctive undergraduate hood.

Academic Honors

Undergraduate students graduating with distinction receive academic honors based on grade-point average: 3.90 – 4.00 summa cum laude; 3.70 – 3.89 magna cum laude; 3.50 – 3.69 cum laude. Gold honor cords will be worn to designate academic honors. A distinction will be noted in the commencement program, on the academic transcript and on the diploma. Students who have completed an Honors Senior Project and Thesis and have earned a minimum grade-point average of 3.5, graduate with “Departmental Honors” and it is so noted in the commencement program, on the academic transcript and on the diploma.

Honors College

Students who complete all Honors College requirements including Honors course work, community service, Honors Senior Project and Thesis, and who maintain a minimum grade-point average of 3.5, graduate with “University Honors.” A distinction will be noted in the commencement program, on the academic transcript and on the diploma. In the commencement ceremony, University Honors students wear a distinctive undergraduate hood.
